Castle Hill School

Innovating Communicating Empowering

An Academy within the  
Interaction and Communication Academy Trust

Principal - Steve Perren

06/10/20

Dear Parent/Carer

On Tuesday morning we received confirmation that one of our staff in Lower Primary had tested positive for COVID-19.

In compliance with DfE guidance we have sought and received advice from Public Health England. As a result, we have closed the specific classrooms in question and any close contacts with this group of students and staff have been directed to isolate at home for 14 days.

The classroom will now undergo a deep clean.

Given the preventative measures that we have in place here at school, we have been advised that it is **not** necessary to close the full EYFS/Primary zone.

**We have also been advised that due to the strict procedures and protocols that we have in place that there is little risk to the wider school population.**

Please be reassured that we will continue to apply our ongoing vigilance and good practice regarding contagion control. Follow the link to access our whole school risk assessment.

Further information about COVID-19 symptoms and management of the virus can be found here <https://www.nhs.uk/conditions/coronavirus-COVID-19/>

Please don't hesitate to contact your class teacher or any member of the Senior Leadership Team if you have any concerns or questions.

Thank you for your continued support and understanding during this time

Kind regards

Steve Perren  
(Principal)
